Idk if you're still in Kansas but we have 2 vets in Wichita stranded with engine trouble and have gas money! The repairs will take too long to fix so they want to leave the car behind. We can give them a ride back to Wichita. They

will escort you to safety if anything gets wild in DC they have gas money please help if you have any extra room!

Appreciate it. Don't do it for the thanks but it feels good hearing it. On Parler @SendPatriots we have been paying for peoples trips to help get them to stop the steal events. Whether by bus plane train or a little gas money. Now we're tapped out and two of our security break down in Kansas stranded I'm like ooooooh nooooo! But give us a follow on there and help spread the word we helped vets with past due payments in December as well which was really cool

yeah, we passed by but didn't see anyone. Colorado lead said to keep going, was mildly suspect at first since it was a handshake account.

I haven't been through KS in a while. I remember the sky being horizontal, though.

Not much to see for the next several hours! But you can see “the boob” east of Manhattan KS, but west of topeka... it’s a big Perfectly-rounded hill on the north side of I-70... there are rocks stacked in the center to make a nipple.

Not *completely* off topic.

Matthew was my favorite John Denver song.

He was his father's only boy. Born just south of Colby, Kansas. He was his mother's pride and joy.

Now I have an ear worm.

Drive safe!
